KIMBERLY MORAN

Web developer from Spokane, WA
GitHub: https://github.com/kimberlym4488
LinkedIn:https://www.linkedin.com/in/kim-moran-82158371
E-mail: kmorandev@gmail.com

SKILLS

I'm a creative problem solver with a love for technology. I love learning new things and overcoming a challenge. My experience with various software programs and working on a team has helped me to become a well-rounded, experienced, and reliable teammate.

Furthering my education in web development gives me the crucial skills needed in the current industry environment, such as CSS, HTML, Javascript, Jquery, Bootstrap, Node, Git
